## BANNERS ARE IN! DOOR HANGER IS UP!

You can pick up your banner at the depot in Edmonton or you can phone to have one sent to you if you are living outside of the Edmonton area. They are 18ft by 3ft and are weather resistant, even in our climate. They cost \$150.00 including tax.

Door hangers are up on the web and you can now go to a printing company and have them download the information and print the door hangers for you.

## ETHNIC CHURCHES

Praise God! The ethnic churches are jumping-in to be trained and reach out to their communities. In one Japanese church 70% of the congregation was trained in the evangelism training. This includes children and youth as well. In a Punjabi church 12 out of a congregation of 35 adults and children were trained and more are coming to the next training!

## ACTION AREA

- ❑ Make sure all training registrations are sent to us at the office for trainings that are held in your church, Sunday school, or small groups. We need that information in order to connect interested callers with trained individuals.
- ❑ Make sure you have called us to let us know how many homes and in what neighborhood your church is interested in for the Neighborhood Strategy.
- ❑ Make sure you have registered with the 'Church Finder' and signed the statement of faith on the share site ([www.share.powertochange.com](http://www.share.powertochange.com)) in order to have your churches name available to non-Christians through the power to change site ([www.powertochange.com](http://www.powertochange.com)).
- ❑ Make sure you promote Evangelism Trainings to your congregation every week. In order to avoid missed opportunities it is important that as many people as possible be trained before the campaign begins.
