

Power to Change

October 29 to November 30, 2001

Power to Change Training

Power to Change is an intensive media campaign during which your community will be saturated with one message—in **Jesus, there is power to change!** The need is real. Fifty-two per cent of Canadians surveyed say that they have spiritual needs. Ninety per cent of Canadians say they find themselves asking, “What is the meaning of life?”

“There are some things that God says ‘do’ and reaching the lost at any and every cost is a ‘do’ from God.”

E.V. Hill, Pastor, Mount Zion Missionary Baptist Church, Los Angeles

Training Introduction

When faced with the needs of Canadian society, the better trained we are, the more effective our witness will be. The Power to Change training sessions may be considered a stand-alone event and will be beneficial to you regardless of whether or not you choose, or are able, to participate in the campaign.

Power to Change Training

Ten reasons why every person in the congregation should consider taking the Power to Change training:

1. I will learn a simple way to share my faith with someone else.
2. I will learn “that success in witnessing is simply taking the initiative to share Christ in the power of the Holy Spirit and then leaving the results to God.”
3. I will learn how to start a conversation with someone and then turn that conversation to help meet a person’s spiritual needs.
4. I will understand how to deal with difficult questions.

5. I will learn that to be an effective witness for Christ, I must understand how to walk with Christ moment by moment.
6. I will learn how to use the special Power to Change booklet to share my faith.
7. I will learn the basics of follow-up using the same booklet.
8. I will be introduced to a “cutting edge” evangelism tool on an interactive CD (which also includes the “*JESUS* Film”).
9. I will become more effective as a “lay” volunteer through my local church.
10. I will learn all this in less than 3 hours and at a cost of only \$10.00 (including the booklet, CD, and training manual). Youth training will cost \$7.50 (including youth CD-ROM and training manual).

Bonus: I don’t have to decide my involvement in the Power to Change Campaign until after I have finished the training.

Reach Out

Each of us have a network—co-workers, friends, neighbours, relatives—and many of them have not yet discovered the life-changing message found in Jesus Christ. You could help them along in their spiritual journey by offering them the Power to Change packet.

Apart from any Power to Change packets (book & CD-ROM or cassette) the church may distribute, I wish to purchase ____ copies (at \$7.50 each) for distribution to my own network of personal contacts.
