Close to 500 churches across Saskatchewan have signed up to be involved in Power To Change. More are registering daily. **Is your Church poised to take advantage of the media saturation beginning Monday, October 30?** Have you laid the foundation to implement or participate in the four strategies: neighborhood block strategy, special events, personal opportunities and the 1-800/internet response opportunities. How to effectively use these strategies can be found on the promo video, pastoral handbook or by calling the provincial office.

2500+ Trained

Over 2,500 people around the province have taken the P2C training in the past few days with additional trainings continuing in each region! (see www.share.powertochange.com.) Trained people are more likely to be sharing Christ with their friends, more likely to bring a guest to a special event and will more likely participate in a neighborhood block strategy. You can bring the P2C Evangelism Training into your church. Contact your Regional Training Coordinator to purchase (\$10.) or borrow the training video and purchase the Training Manuals/P2C Booklets and cds.

A P2C Story

Already the campaign is surfacing those who are spiritually interested. This past week the first question at the end of an informational lunch was, "I've never experienced the power to change in my life, how do I get one of those booklets?" He left remarking, "I can hardly wait to bring this home and put it in my computer and show my family."

P2C Banners

These 3 X 12 foot banners say *EXPERIENCE POWER TO CHANGE HERE* and have the same "look-feel" as the other materials. Many of you have already requested one to hang outside your church. 300 have been made and will be available for \$45.+ taxes at your local materials depot by November 1.

Materials Depots

Materials are now available for pick up at the following locations.

- Battlefords: Truden Books—1462-105th St.
